

Atheists of Florida, Inc.

BOARD MOTIONS

In July 2012 Ed Golly, President of Atheists of Florida, submitted the following MOTION via e-mail to the Board of Directors:

MOTION that Atheists of Florida, Inc. extend the annual membership of all Annual Members for one year.

DISCUSSION:

Renewals have dropped off significantly since the expulsion of the former executives of A OF F. Based on discussions I have had with members, my contention is that this is due primarily to two reasons:

- Members are being confused about the facts of the conflict we are facing and are simply adopting an attitude of standing back waiting to see what the court decides with respect to who constitutes the legitimate board of directors of Atheists of Florida, and
- Many members have never met any of the board members, simply wanting to support the Atheist organization and its objectives. They do not want any of their dues used to pay legal fees for our conflict.

Therefore, they are postponing their renewals pending the outcome of our lawsuit.

I also have heard from some members that they do not want to belong to an organization run by EB Wachs, and this sentiment may apply to more members than we realize, which again would compel them to postpone membership renewal until they know for certain who runs A OF F, and would not, by renewing now, end up being paid members of any organization under the control of Wachs.

Please VOTE FOR or AGAINST this motion and return your vote to the Acting Secretary, Tracy Thomas, at:

for tallying.

When tallying is complete, we will announce the measure, if passed, in a newsletter to be published soon after the motion is addressed.

I ask that you do not submit any amendments to the motion, rather, that you simply vote against the motion and we can discuss how to reconfigure it if it fails.
